

# South Carolina State Health Improvement Plan 2018-2023

Live Healthy South Carolina is a statewide collaborative led by the Alliance for a Healthier South Carolina to systematically assess and advance the health of all South Carolinians.

## Resilient Children

Build resilience in South Carolina's children through safe and supportive environments.

## Chronic Health Conditions

Partners take action to promote healthy lifestyles and environments that prevent chronic conditions.

## Behavioral Health

Create a sustainable system of behavioral health care.

## Health Care Transformation

Address factors outside of health care that affect health and look through a consumer viewpoint to link primary care, behavioral health, oral health and supports/resources.

## Factors that Affect Health

Create safe, livable environments that improve the conditions in which people live, work, pray and play.
